

# AWS RECYCLING LTD – HEALTH & SAFETY POLICY

---

## 1. Statement of Intent

AWS Recycling Ltd is committed to providing a safe and healthy workplace for all employees, contractors, and visitors. We comply with the **Health and Safety at Work etc. Act 1974** and relevant regulations to prevent accidents, injuries, and work-related illnesses. Our aim is to:

- Maintain a safe working environment and equipment.
- Identify and control workplace risks through regular assessments.
- Provide necessary training, personal protective equipment (PPE) and clear safety procedures.
- Foster a strong safety culture with continuous improvement.

This policy will be reviewed annually or after significant changes.

## 2. Responsibilities for Health and Safety

### Management Responsibilities:

- Ensure compliance with health and safety laws.
- Provide adequate resources for risk management, training, and equipment.
- Investigate accidents and take corrective action.

### Employee Responsibilities:

- Follow safety procedures and use PPE correctly.
- Report hazards, near misses and incidents.
- Participate in safety training and maintain awareness.

### Contractors & Visitors:

- Must follow site safety rules and report hazards immediately.
- 

## 3. Arrangements for Health and Safety

- **Risk Assessments:** Regularly conducted to identify and reduce hazards.
- **Machinery & Equipment:** Maintained and inspected for safe operation.
- **Manual Handling:** Training provided to prevent injury.
- **Traffic Management:** Safe movement of vehicles and pedestrians enforced.
- **Emergency Procedures:** Fire, spill and accident response plans in place.
- **Accident Reporting:** Incidents are recorded, investigated, and reported under **RIDDOR** if necessary.
